AMA DISCLAIMER STATEMENT OF RESPONSIBILITY

You have voluntarily entered an American Motorcyclist Association (AMA) sanctioned road-riding event. An AMA-sanction indicates that Run For The Wall (RFTW) is listed in the Association's official calendar and that AMA Recreational and Road Riding rules may be used as a guideline. It does not indicate that the facilities or course have been inspected or approved by the Association, nor does it indicate that RFTW officials have been trained or accredited by the Association, nor does it indicate that your safety has been warranted by an AMA authority or by RFTW.

To some extent, all motor vehicles are inherently dangerous. You should take part in this event based on your own assessment of your abilities. Today's route will traverse public highways and RFTW is not responsible for their condition or the actions of other individuals using the public highways. Regardless of State Law, the AMA and RFTW REQUIRE YOU WEAR A DOT APPROVED HELMET and urge you to wear other appropriate safety apparel. The Association and RFTW also urge you to receive professional instruction before operating a motorcycle. RFTW does not provide medical insurance. We urge you not to operate a motorcycle without personal medical coverage.

If you:

- have any doubts at this time about your personal ability to participate in this event, or
- have not adequately prepared yourself and your equipment, or
- question the condition and safety of local public highways, or
- believe your personal insurance coverage's are not adequate to compensate you for any loss that might occur...

Then we:

- Strongly and highly, encourage, urge, and recommend you withdraw from the event and notify the RFTW Registration Team and me, the Route Coordinator. RFTW will immediately refund your registration fee.

A Biker's Prayer

May the sun rise in front of me
The rain fall behind me and the wind follow me.
May the angels guard my travels
For they know what is ahead of me.
Keep me safe through rolling hills and swirling turns.
Let the eagle guide me to the mountain tops.
Let the moon's light guide me through the night.
Lord, thank you for letting me be a biker. Amen.

HISTORY OF RUN FOR THE WALL

By James "Gunny" Gregory

In 1986, I rode my Wide Glide in the Los Angeles “Welcome Home” parade for Vietnam Veterans. I was the only biker, an active-duty Marine Corps Drill Instructor, and a Combat Vet. I met my Vietnam Fire Team Leader, Carl Rice, and visited the “moving wall” for the first time. Carl told me about live POWs left behind in Nam. I couldn’t believe what he said, but he convinced me. He invited me to a breakfast Sunday morning to hear families talk about POW/MIAs. One of those speakers was Marion Shelton, the wife of Col. Charles Shelton...the last official Prisoner of War of the Vietnam War. That morning Marion enlisted several others and me into her army of POW/MIA supporters. She and Carl asked, “Can you help? What can the bikers do?”

Carl then walked from Los Angeles to Port Angeles, WA, (his home) along interstate highways carrying the POW/MIA flag. At that time, I was the Chairman of the Board of ABATE of California, President of San Diego ABATE, life member of HOG, AMA, VFW, American Legion, VVA and knew veterans and bikers all over the world. It was a time for action, but I had to retire from the Marine Corps first. About the same time, ABATE received a letter from Artie Muller and Ray Manzo, two Nam Vets planning a rally on Memorial Day weekend of 1988, using veteran bikers as their voice to the government. They called the rally *ROLLING THUNDER*, named after the B-52 strikes that rolled through Vietnam. Another Vietnam Vet, Bill Evans, came to my home and asked for help planning and conducting a motorcycle run to Washington, DC. I told him I had begun the planning already, so we agreed to “do it” together. Bill named this pilgrimage RUN FOR THE WALL! Another Nam Vet, Sam, and his wife, Margo, also joined our core group. We made up a black and yellow “*Jane Fonda, American Traitor Bitch*” patch, sold them through *Easy riders Magazine* and started raising funds.

I flew to DC to meet with Artie, Ray, Col. Earl Hopper, a POW family member, and Top Holland, our local point of contact. We had a successful meeting, and firmed up plans for *Rolling Thunder II*. At breakfast, we learned that Philippine Communist guerrillas murdered Col. Nick Rowe, a former POW and Special Forces Officer. Top served with Col. Rowe and knew him well. In 1988, I was the S-4 and Safety Officer for 2nd Bn, RTR, MCRD, in San Diego. That meant I had to attend safety school at Indiana University, Bloomington, IN. I took my leave and travel time to recon the routes for *Run For The Wall*. I rode my bike eastbound on the southern route and returned via the middle route. Then a miracle happened.

Strangers and volunteers started calling and donating time, energy, food, and gas for these routes. Several vet groups, churches, and Motorcycle Rights Organizations were (and still are) the backbone of *Run For The Wall*.

RFTW Central Route XXVI - Daily Itinerary

In May 1989, Marion Shelton saw the first *Run* leave from San Diego with a local police escort. Bill and I were in the lead. However, before we reached Ontario, Bill lost some of his gear, blew a tire, and then blew his motor. He spent the rest of *The Run* in the back of a pick-up. Pete then came up and helped with the pack and mechanical needs. This was the first time anyone had ever tried to lead a pack of motorcycles across country. Everyone said we were crazy. About 115 bikes left San Diego the first year. Most turned back in Las Vegas, but about 15 went all the way.

In Kansas, veterans and bikers paid our way through the toll booths on the turnpike, causing us to take our own “special” route around pay stations. In Charleston, WV, I tried to explain to an official of the WV DOT how this worked, but he would not listen. Therefore, I made the decision along with Gary Wetzel, MOH, to take Hwy 60 through the mountains. This fateful decision introduced us to Rainelle, WV, one of the most patriotic communities in America and now one of the major highlights of *Run For The Wall*.

On Friday, May 26th, *Run For the Wall* accomplished its mission, arriving in Washington, DC, and walking to The Wall. The next day, Saturday, we laid a wreath at the Tomb of the Unknown Soldier. On Sunday, we helped lead *Rolling Thunder* with Gary Wetzel, Bill on Pete’s bike, and myself leading the pack. This was one of the proudest moments of my life.

THANK YOU TO EVERYONE WHO HAS
MADE RUN FOR THE WALL
THE SUCCESS IT HAS BECOME.

FREEDOM ISN'T FREE

Welcome to Run For The Wall XXVI - 2014 Central Route Detailed Daily Itinerary

“One MISSION - Three Routes”

As we make our journey across this great land, please reflect on why we do what we do. Be mindful of the RFTW Mission Statement:

- ▶ To promote healing among ALL veterans and their families and friends;
- ▶ To call for an accounting of all Prisoners of War and those Missing in Action (POW/MIA);
- ▶ To honor the memory of those Killed in Action (KIA) from all wars; and
- ▶ To support our military personnel all over the world.

On behalf of the RFTW Board of Directors, it is my honor to welcome you to Run For The Wall XXVI. To lead this Mission is the greatest honor I have ever had bestowed upon me. I consider this to be an honor above all, and I am deeply humbled. I have assembled the best Leadership Team who stand beside me, welcoming you to the RUN. Those who serve us on the RUN - Fuel Crew, Staging Crew, Road Guards, Platoon Leadership, Chaplains, Chase Vehicles, Hydration Team, Registration Team and State Coordinators -- are all volunteers, who put in many hours to make the RUN a success. They all deserve a big “THANK YOU” for what they do.

Our Road Guards help us along the route. It is their responsibility to provide guidance and direction to us and the general public. Please follow their instructions at all times. They are here to help us reach our destination with a minimum of inconvenience to the rest of the traveling public.

The RUN would not be possible without the thousands of unseen volunteers from coast to coast. We receive many donations of fuel, tolls, and meals. Be sure to show your appreciation for what they do to aid us in the completion of our Mission.

Here are a few important items to review:

- ▶ When you register, you will be given a wristband, an RFTW lanyard with plastic case attached, and various forms. Fill out the documents; place them in the plastic case and wear this around your neck at all times during the RUN. The wristband is your admission to our activities and the many benefits provided by our outstanding supporters.
- ▶ At Registration, you will receive a bright plastic strip for RFTW Bike Identification. Tie this strip in a visible spot on the LEFT FRONT SIDE (i.e. **Clutch Side** of handle bar or mirror stem of your motorcycle).
- ▶ At Registration, you will receive a second plastic strip. This strip is to be securely tied to the RIGHT HAND SIDE (i.e. **Brake Side** handlebar or mirror stem). This strip identifies your platoon color.

RFTW Central Route XXVI - Daily Itinerary

- ▶ At Registration, you will also receive an **adhesive number**. It is to be placed on the left side of your windshield (**Clutch Side**), or fork (if no windshield), so the number faces forward. If facing your bike, it's the right hand side, or again the **Clutch Side**.
- ▶ Become familiar with this Itinerary Booklet. It is your roadmap for the next 10 days.
- ▶ **We leave as a pack, we arrive as a pack.** Our supporters have worked hard all year to raise money, planning for our arrival. We need to show our gratitude to them by attending these ceremonies. Unless it is an absolute emergency, you should not be pulling out of the pack.
- ▶ **THERE WILL BE NO JOINING THE RUN "ON THE FLY."** We travel as a pack. If, for some reason, you were to miss the morning meeting and start of day, you would need to rejoin at a gas or lunch stop, unless directed by a Road Guard or Leadership.
- ▶ There will be NO use of alcohol or drugs during the day while we are en route. Remember: This is a Mission, not a party.

Note: Helmets Are Mandatory On This Mission, NO EXCEPTIONS!

Attendance at the **MANDATORY RIDERS MEETING EVERY MORNING** is a must. Before attending, you should have your gear packed, bike fueled, and ready to depart. **Departure times and days' activities are posted in this booklet!**

We honor our service men and women who are KIA, MIA or POW by riding in a Missing Man Formation at the front of the Pack. An announcement will be made at the Morning Riders Meeting if slots are available.

Order of March for travel will be: Missing Man Formation, Road Guard Platoon, Central Route Leadership, Bike Platoons, Bike with Trailers, Trikes with/without Trailers, Chaplain Corps, followed by our Last Man Vehicle, Official Chase Vehicles. For the safety of the motorcycles, we request that all other vehicles do not travel with the Pack. For the safety of the Pack, please travel either two miles ahead or behind the pack.

The Central Route will travel public roads and highways. RFTW is not responsible for the condition of these roads and highways, or for the behavior of/or hazards caused by other individuals using public road and highways. RFTW is not responsible for any changes in the condition of the course that may have occurred since it was selected. Each participant is solely responsible for the safety and successful operation of his/her vehicle during The RUN.

RFTW Central Route XXVI - Daily Itinerary

This year is the 39th Anniversary of the Fall of Saigon. According to the Defense Prisoner of War/ Missing Personnel Office, 1,653 of our brothers and sisters are still unaccounted for in Southeast Asia. Along with that number, there are 126 Cold War MIAs, mostly in or near China. Another 7,892 American service members are still missing from the Korean War. Additionally, 73,637 are unaccounted for from World War II. Since September 11, 2001, there are six more MIAs. Even though the efforts of JPAC (Joint POW/MIA Accounting Command) have been responsible for the recovery of hundreds of remains, we must remain vigilant in the pursuit to bring our missing home.

SSGT Bowe R. Bergdahl, US Army, was originally listed as MIA in Afghanistan. On July 3, 2009, his status has been officially changed to POW. Negotiations are currently being sought to gain his release.

America is still engaged in a War on Terrorism, placing our military personnel in harm's way. It is imperatively urgent to obtain a full accounting for our missing from all of our Nation's wars. As part of the RFTW Mission, we conclude our annual Mission at the Vietnam Memorial Wall in Washington DC on Saturday and participate in the Rolling Thunder Demonstration Parade on Sunday.

Having the opportunity to lead this Mission is truly an honor and a privilege bestowed to only a few. I want to again thank everyone who is serving on my Leadership Team for your time and efforts to make RFTW XXVI a success.

Far too many of you have never been properly thanked for your service, or have been properly welcomed home. You have never had that emotional parade expressing gratitude and pride in what you have accomplished.

This is all about to change... On the morning of May 14, 2014 at 0800, we roll out of Rancho Cucamonga, CA on *The Greatest Mission in the Land!*

*Run For The Wall is YOUR parade across this magnificent country.
Enjoy it, Embrace it. The RUN is your homecoming - - -
And it has been a long time coming.*

*To Each and Every Veteran, especially our FNGs,
"Thank you for your Service and WELCOME HOME!"*

RFTW FUELING GUIDELINES

The Platoons are directed to the fuel station by the Road Guards and to the pumps by the Fuel Team. Prior to approaching the fuel pumps, riders **MUST** fold up their highway pegs. Pegs are a hazard to all personnel due to the closeness of the motorcycles.

No Smoking (Mandatory Safety Requirement).

- Be alert and watch for directions from the Fuel Team Members.
- Riders need to be aware of their surroundings due to extremely close quarters and high noise level.
- Road Guards and Platoon Leaders have priority and shall be moved to the front of the line. Please be patient as this is critical to The Mission.
- Riders and passengers will not dismount motorcycles until after leaving the fueling area.
- Motorcycles are fueled two abreast, on both sides of the pump.
- Unlock Fuel Cap Covers before reaching the pump. Remove fuel cap. Have a place to hold or put the cap. You will need both hands free.
- Motorcycles must be shut off prior to fueling. (Mandatory Safety Requirement).
- Only premium grade (highest octane available) fuel is pumped.
- Do not top off fuel tank. This is unnecessary, as fuel stops are approximately 100 miles apart. This helps prevent fuel spilling on a hot engine. When finished, give the fuel hose back to the Fuel Team Member.
- **Payment for fuel is ~ CASH ONLY ~**
- Be proactive by having \$1s, \$5s, \$10s, and \$20s readily accessible.
- ➔ **NO CHANGE IS GIVEN!!**
Example: Cost of fuel is rounded to the next higher dollar amount. If your fuel cost is \$8 and you pay with a \$10 bill. No change is given and you have made a \$2 donation. Overage donations are used to fuel our chase and support vehicles.
- Depart pumps, making sure you watch for other motorcycles, and follow directions to Staging. **Not Fueling?** - You must go thru the fuel line and not break out of the pack. You will be directed to staging.
